At the same time, we extend a very warm welcome to our new board members.

### Angeline Lam, Secretary

Angeline Lam grew up in Hong Kong before coming to Canada to further her studies. She spent her first Canadian winter in Fort McMurray in 1985 and went on to complete a Master of Science at the University of Alberta. She then worked in research laboratories in Australia, Alberta, Manitoba, and Ontario before taking on the role of raising her two children and assisting her husband in his medical practice. She fostered a love of music in her daughter and son and encouraged their advancement in piano and violin. Angeline became involved in updating the EYO policies following her daughter's joining the orchestra and has assumed the position of secretary with enthusiasm. She brings the benefit of her unique international and multicultural experiences to the board and looks forward to serving the EYO community.

### Michael Haydo, Treasurer

Michael Haydo, CPA, CA joins the EYO Board as our new Treasurer. Michael is a Chartered Accountant with over fifteen years of combined experience in public practice and industry. Currently, Michael works as the Director of Finance at Somagen Diagnostics Inc. where he guides multi-functional aspects of his

organization's financial reporting, taxation, budgeting, and long-term strategy. Outside of work, Michael enjoys road cycling, travel, and listening to his children on their musical journeys.

### **Ted Spyrapopoulos, Director**

Ted Spyrapopoulos is a litigation lawyer with Brownlee LLP. He has over 20 years of professional legal experience in corporate in-house and private firm environments with management of complex litigation before the Alberta, British Columbia, Saskatchewan, and Manitoba Courts in various matters. business leadership having served in a management role with respect to development, planning, organization, and review of business and legal processes. Ted is passionate about music and the arts and is committed to community service having coached in minor hockey and previously served as a board member for the Lieutenant Governor of Manitoba Youth Experience Program.

***Welcome Angeline, Michael and Ted – we look forward to working this you!***

### **Conductor Internship**

We also welcome our new conducting intern, **Yitian Fan**. The Conductor Internship program is a unique opportunity for those interested in further developing their conducting skills, to work with the Edmonton Youth Orchestra Association's two orchestras under the tutelage of the EYO's longstanding Music Director and Conductor, Mr. Michael Massey. Yitian's internship commenced on November 23<sup>rd</sup>, and he will be with us in this capacity up to and including the February 26<sup>th</sup> concert.

Yitian has played in the EYO since 2013 (violin, viola and trombone). He is currently a fourth year BMus/BEEd student at the University of Alberta, majoring in Bass Trombone. At the age of 8, he started his musical training on the violin with Mary and Tom Johnson. He continues to play as well as enjoying a thriving, private teaching studio. His love for the trombone began in 7th grade Band - the only instrument that could make funny noises and race-car sounds. His teachers on the Bass

Trombone included Alden Lowrey and Tyler Cairns. In the future, he would like to teach and conduct band at the Junior High or High School level as well as continuing to play both the trombone and the violin. As well as music, Yitian enjoys playing and coaching basketball which he would also like to continue to do when he becomes a teacher.
